Cover options in a nutshell.

Public Liability
Protects you, your staff and your business against the legal costs of a claim for personal injury or property damage that occurs as a result of your business related activities, either at your work place or another location.

Professional Indemnity
Protects you, your staff and your business against financial losses for any legal action taken against your business for services or advice you have provided.

Business Insurance
Protects you and your business for financial losses suffered from an unexpected event like fire, theft and accidental damage.

Management Liability
Protects your company and you as a director, including your personal assets, against legal costs for allegations of mismanagement, misconduct or legislative breaches.

Cyber Insurance
Protects your business against the expenses and legal costs associated with data breaches, being hacked or the theft of client information.

Remember this is just a quick overview - and you must always read the jargon-heavy Policy Wordings for the full details.
